# Heal4All

On November 19, 2024, the HEAL4ALL project officially commenced with a **Kick-off meeting at the University of Split**. The event brought together all partners to discuss project goals, structure, and initial implementation steps. Key topics included project management, communication strategies, and partner contributions. The meeting concluded with a Q&A session and a networking dinner, setting a collaborative tone for the project's future.

# Heal4All

The Heal4ALL Kick-Off Meeting and Training Program marked a pivotal step toward revolutionizing healthcare education. By embracing Design Thinking, Open Pedagogy, and Service Learning, the project aims to create a sustainable, student-centered learning environment that fosters innovation and collaboration across borders.
